## Awards night for **WIZO**

A capacity crowd enjoyed WIZOUK's dinner held at the Montcalm Hotel, Marble Arch. TV star Natasha Kaplinsky hosted proceedings and the winners of the WIZOUK inaugural commitment awards were presented with their prizes. They will travel to Israel next year to meet their counterparts in Israel and visit WIZO's social welfare projects. The dinner showcased the charity's work in Israel and graduate chefs from the WIZO vocational centre in Jerusalem helped prepare the meal. Entertainment was provided by singers from WIZO's Tiberius Music School. These projects support vulnerable teenagers drawn from all sectors of Israeli society. The next generation of WIZO leaders joined their mentors to present the evening and engage with WIZO's future. The attendees raised £300k for WIZO's welfare work.
