The RAR Digital Awards: pictures from the night

The first ever [RAR Digital Awards](#) took place last night at the Marble Arch Montcalm Hotel. The awards are voted for by clients and celebrate agencies who deliver outstanding results.

Purestone TFM took home the Grand Prix for an agency with under 40 staff, whilst Periscopix was awarded the larger agency Grand Prix. London-based agency Pancentric was voted as the best performing agency in the Digital full service category.

A full list of this year's winners can be found [here](#).

Scroll down to take a look at some of the snaps from the night and see if you can spot yourself.

The night kicked off in style with a champagne reception

But forget the champers, it was all about the selfies

But when the show started the books were tossed aside

That's no way to drink wine

And neither is that

There was plenty of cause for celebration

Much better than Ellen's Oscar's selfie

High five

Thumbs up

Go on, have a glass - you deserve it!

The ultimate selfie

Everyone was in great spirits

But the night has to end at some point...

...and you just have to go home and curl up with a good book.
