Absolute Digital Media win RAR Digital Award

Absolute Digital Media win RAR Digital Award.

CHELMSFORD, England, June 11, 2014 /PRNewswire/ --

The Essex based company were delighted to be named [http://www.absolutedigitalmedia.co.uk/whats-trending/absolute-digital-media-named-best-search-agency-40-staff-rar-digital-awards] Best Search Agency Under 40 staff at the first ever awards for recommended digital agencies.

The RAR awards were set up to recognise those agencies who deliver outstanding results and the highest levels of client satisfaction with the winners voted for by clients. The ceremony, which took place at The Montcalm Hotel, Marble Arch, included a three course dinner, guest speaker and awards presentation. Facing competition from 8 other agencies in their category, the team at Absolute Digital Media were delighted to be announced the winners.

It comes following a successful few months for the company, who rebranded from SEO Positive to Absolute Digital Media at the start of the year. Also included in the RAR Top 100, and the recent Drum Independent Agency Census, the team have also been shortlisted for a number of other awards including the Marketing Week Engage Awards at the end of the month.

CEO, Ben Austin shares the significance of this particular award.

"Any award is special but one that is based on client satisfaction means a lot to us so we'd like to thank our clients for their wonderful ratings and testimonials! It was an excellent evening in what has been an exciting year for us so far."

Absolute Digital Media is a full service fully integrated digital marketing agency, specialising in a range of services including SEO, PPC, social media engagement, content marketing and web design. Fusing market intelligence with creativity, their aim is to deliver digital campaigns that encourage engagement, focusing on clients unique selling points, seeking out which channels are most effective to communicate them and making sure that they reach the right people at the right time.
