Montcalm now open

WITH what's got to be one of the longest soft launches in history, The Montcalm (tel: 020 7374 2988) hotel opened on 23 May but won't be charging full rates until 15 September. We suggest you get in to take full advantage of the half-price rate of £160, which has got to be the cheapest night in town for a hotel expecting five-star status. The venue has 25 suites, 11 deluxe studios and 199 standard rooms. Being on the doorstep of big-player City event venue the Brewery, we can see many of the rooms filled with overnight party and conference guests. The Montcalm has plenty of event space of its own though, with capacity of up to 100 guests in its largest room.
