December 2, 2013 | By [Adam Parry](#) | [Reply](#)

The UK Event Awards, which are now in their 4th year, took place on Friday 29th November in London at host venue – The Montcalm Marble Arch. Winners on the night included Rapport who picked up the Grand Prix and the Royal Zoological Society who were awarded the Chairman’s Award which was chosen by Rob Leach of Line Up.

Gallowglass walked away with the trophy for Event Services Supplier of the Year, Universal WorldEvents were awarded Events Agency of the Year. Other winners were ExCel London, Beatwax and Wilde Thyme.

Before the announcement of the awards guests were treated to entertainment from Doritos advert favourite The Mariachis. After dinner ventriloquist Paul Zerdin amazed the audience with his act and seeing the guests into the wee hours was Rockaoke who made stars of the guests by giving them the chance to sing-a-long to their favourite songs with a full live band backing them.

The full list of results can be viewed below.

Entries for the UK Event Awards 2014 will be open spring next year. To register your interest and be kept up-to-date with entry deadline, award ceremony date visit www.ukeventawards.com.
