Start married life in the lap of luxury...

The Montcalm Hotel

Did someone say Wow? It's true! The Montcalm has a room called 'The Wow Suite' that was made for romance. Spacious and comfortable, you'll be greeted by two rooms where luxuries include a glass fronted bathtub, a deluxe fruit basket delivered to your door, fluffy bathrobes, in-room aroma you can alter to suit your mood and the piece de resistance...the bed! It may look like your typical four-poster five star bed from a distance but once you get inside you'll notice the secret features; a mirrored ceiling and velvet curtains.

The hotel certainly has palatial charm. All the suites have unique themes and guests are also invited to make use of a special lounge that serves delicious canapés and sweet threats throughout the day.

As well as enjoying your room, be sure to slip away to the spa for a pampering couple's massage before taking a dip in the Jacuzzi at the hotel's spa. Dinner is served on site at The Grill Restaurant where you can enjoy organic meats, delicious vegetables and fish suppers.

Breakfast should be enjoyed in your suite; brought to you by a waiter who'll erect a dining table in your room. Tuck into warm pancakes, spicy kedgeree and Japanese delicacies while watching Bollywood movies – did we mention that countless Indian film stars have stayed here? Add to the guest alumni wealthy businessmen and Arab princes and with its location in the heart of Marble Arch, a stone's throw from the boutiques of Bond Street and the beauty of Hyde Park, you won't find a more pampering place to start life as husband and wife.
