THE BEST KIND OF MEDICINE

There's been a trend lately for using old bottles and containers for serving drinks. But at new bar and kitchen Tonic & Remedy in London's Hoxton, it's the inside of the bottle that's the inspiration for the ideas. Using herbs and spices like apothecaries of old did, head of bars Jeremy Pascal has focused on flavours out of the ordinary – cucumber and celery foam, smoked egg and astragalus tincture are a few of the ingredients used. *Tonic & Remedy, M by Montcalm, 151-157 City Road, London, EC1V 1JS; tonicandremedy.co.uk*
