Honeymooners in search of a luxury boutique hideaway need look no further than the Sandi Phala in Bali.

This 11-suite luxury boutique property in Bali, Indonesia, was announced as a winner of the Blissful Beach Category, at the 2013 World Boutique Hotel Awards.

The glittering awards ceremony held on 28th November at the Montcalm Hotel, Marble Arch, London, brought together an array of boutique hoteliers, press, and industry insiders from Australia, Belgium, Fiji, France, Germany, Hong Kong, Iceland, Ireland, Laos, Netherlands, Norway, South Africa, Spain, Sri Lanka, Tanzania, Thailand, Turkey, UK, USA, and Vietnam.

The shortlisted hotels were judged by an international panel of leading hospitality experts across nine travel sectors.

"We are incredibly honoured and proud to have been selected by the judges as one of the four winners of the Blissful Beach Award category," says General Manager, Krisna Wati, who accepted the award on behalf of Sandi Phala.

"Our boutique hotel strives to create the ultimate tranquillity for guests, set within of the most pristine stretches of beach in Bali, as well as offering the truest form of genuine Balinese hospitality," says Wati.
