SVC awards
2014

Voting open for 2014 SVC Awards

The SVC Awards are designed to recognise the products, projects and services as well as honour companies and teams operating in the storage, virtualisation and cloud areas. The industry has shown its support for these awards with a record number of nominations.

Online voting is open until Thursday 6 November at www.svcawards.com

THE 2014 SVC AWARDS are spread across 22 categories in three main groups: End-User, Channel and Technology. Products, solutions and services must have been implemented before June 2014.

The winners will be announced on 27 November at a gala evening to be held at the Montcalm Hotel, Marble Arch, London.

This year's SVC Awards finalists are:
