

THE MONTCALM

THE GRAND BALLROOM

AT THE MONTCALM

OPENING SPRING 2013

Opening in the spring of 2013, 'The Grand Ballroom' will be the new luxury event space at the Montcalm London Marble Arch, our award winning five star property off Park Lane and Hyde Park.

Our designers have created a modern twist on the opulence of yester year with bespoke chandelier lighting and wood panelling. This fusion of luxury and functionality makes a perfect setting for those important occasions such as wedding celebrations or a conference of business leaders.

The Grand Ballroom has the capacity to cater for those large important events. Alternatively it can be split into three separate event spaces for those more intimate gatherings or those requiring break out spaces.

Our Chefs and Event managers will create a bespoke fine dining experience for all our events. Our menus focus on locally sourced fresh produce and sustainable practices.

The installation of the latest technological audio visual production gives peace of mind to every event organiser and enhances any presentation. With a dedicated wireless high speed internet network, The Grand Ballroom can host a large number of devices and users simultaneously.
